PANNER, J.

This is an action for judicial foreclosure. Plaintiff prevailed following a bench trial held July 23, 2013. Plaintiff was directed to submit a proposed form of judgment and Defendant was permitted to file objections as to form. Plaintiff has submitted a proposed form of judgment.

Defendant has submitted numerous objections and motions since the date of trial (#99, #100, #104, #105, #110). I have carefully studied those filings and I find they are without merit. Defendant's objections are OVERRULED. Defendant's motions are DENIED as moot.

IT IS SO ORDERED.
